Friends,

Join us for a community conversation about the Future of the Southwest Museum. There will be information about the National Treasure Steering Committee, the upcoming December event series, and more. You'll have a chance to meet your local Steering Committee members Frank Parrello, Carol Teutsch, and CD1's Arturo Chavez. The final report on the stakeholder interview findings prepared by the National Trust for Historic Preservation will be posted on [www.TreasureSWM.org](http://www.TreasureSWM.org) by November 13th, 2015. Join us to learn all the details of the interview results, find out what's next, and how you can get involved.
